

| POS-NR. | BENENNUNG | BESCHREIBUNG                                   | Default/MENGE |
|---------|-----------|------------------------------------------------|---------------|
| 1       | 00401231  | Seitenplatte, kpl.                             | 1             |
| 2       | 00400420  | Seitenplatte GS, kpl.                          | 1             |
| 3       | 00401272  | Lastkettenrad                                  | 1             |
| 4       | 00401230  | Antriebswelle                                  | 1             |
| 5       | 00401805  | Druckscheibe                                   | 1             |
| 6       | 00401806  | Sperradscheibe                                 | 1             |
| 7       | 00401360  | Handrad o. Rutschkupplung                      | 1             |
| 8       | 00401296  | Zahnrad 74                                     | 1             |
| 9       | 00400259  | Zahnrad, kpl. (A)                              | 1             |
| 10      | 00400260  | Zahnrad, kpl. (B)                              | 1             |
| 11      | 00400240  | Kettenführung                                  | 1             |
| 12      | 00401224  | Sperrhaken                                     | 2             |
| 13      | 00400229  | Streifer                                       | 1             |
| 14      | 00400266  | Halteblech                                     | 1             |
| 15      | 00401322  | Handraddeckel, kpl.                            | 1             |
| 16      | 00400263  | Führung                                        | 1             |
| 17      | 00400417  | Getriebedeckel, kpl.                           | 1             |
| 18      | 00400267  | Blende, kpl.                                   | 2             |
| 19      | 00400272  | Traghaken, kpl.                                | 1             |
| 20      | 00400247  | Kettenendbefestigung                           | 1             |
| 21      | 00400270  | Tragbolzen                                     | 1             |
| 22      | 00400258  | Bolzen für Kettenbefestigung                   | 1             |
| 23      | 00400274  | Unterflasche, kpl.                             | 1             |
| 24      | 00401320  | Kappe, Yale                                    | 1             |
| 25      | 00400541  | Typenschild                                    | 1             |
| 26      | 00401534  | Frictionscheibe                                | 2             |
| 27      | 00401226  | Feder                                          | 2             |
| 28      | 09151142  | Lager F61906-2RS                               | 2             |
| 29      | 09102264  | Halbrundschrabe mit Innensechskant M8x16       | 8             |
| 30      | 09134153  | Spannstift DIN EN ISO 8752 - 2,5x14 - St       | 1             |
| 31      | 09117058  | Kronenmutter M10                               | 1             |
| 32      | 09129008  | Sicherungsring DIN 471 - 16 x 1                | 1             |
| 33      | 09129031  | Sicherungsring DIN 471 - 8 x 0,8               | 2             |
| 34      | 09102219  | Zylinderschraube DIN EN ISO 4762 - M4x12 - 8.8 | 3             |
| 35      | 09121006  | Scheibe DIN EN ISO 7090 - 10,5 - 200HV         | 1             |
| 36      | 09125069  | Splint DIN EN ISO 1234 - 2,5x22 - St           | 1             |
| 37      | 09126072  | Blindniet DIN 7337 - 3 x 4,5                   | 4             |
| 38      | 04307654  | Handkette 5 x 25,2 ; gal.zn ; 5,5m             | 1             |
| 39      | 00404733  | Verbindungsglied 5 x 25                        | 1             |
